

# REACH Volunteer Tuberculosis Screening Questionnaire

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Phone number: \_\_\_\_\_ email address: \_\_\_\_\_

---

As required by the US Department of Health, all volunteers and staff working with populations with compromised immune systems must answer the following questions to determine their risk for being carriers of Tuberculosis.

Please check “yes” for any of the statements that are true for you; check “no” for any that are not true. (“Close contact” means: sharing the same residence or spent long periods of time together.)

- |  |   |
|--|---|
| 1. I have been in close contact with someone who has confirmed or suspected contagious tuberculosis since the last time I had a TB screening test.                                     | <input type="checkbox"/> yes<br><input type="checkbox"/> no |
| 2. I have had a persistent cough or fever over the past three weeks.   | <input type="checkbox"/> yes<br><input type="checkbox"/> no |
| 3. I have had unintentional weight loss over the past 2 months.  | <input type="checkbox"/> yes<br><input type="checkbox"/> no |
| 4. I have been in close contact with immigrants from* Asia, The Middle East, Africa, Latin America or Eastern Europe including international adoptees since my last TB screening test. | <input type="checkbox"/> yes<br><input type="checkbox"/> no |
| 5. I have traveled for a month or more to any of the regions listed in number 4 and have not had a TB screening test since returning.  | <input type="checkbox"/> yes<br><input type="checkbox"/> no |
| 6. I am from any of the regions listed in number 4 and have not had a TB screening test since immigrating. (Please provide documentation of last Tb screening test.)                   | <input type="checkbox"/> yes<br><input type="checkbox"/> no |
| 7. I have been incarcerated and have not had a TB screening test since incarceration.  | <input type="checkbox"/> yes<br><input type="checkbox"/> no |
| 8. I have been in close contact with migrant farm workers, nursing home residents, prison populations, or homeless shelters and have not had a TB screening test since this contact.   | <input type="checkbox"/> yes<br><input type="checkbox"/> no |
| 9. I am HIV infected or have been in close contact with HIV infected individuals and have not had a TB screening test in the past year. (Confidential)                                 | Inform a<br>REACH staff<br>member                           |

If you selected “Yes” for any of the above statements, or if Question #8 is true for you, you need to get a TB test. It is recommended that you visit with your Primary Care Provider to evaluate your symptoms and perform a full medical evaluation. Please mail those results to REACH: 309 South G Street, Suite 3, Tacoma, WA 98405, or email to: [paskren@REACHministries.org](mailto:paskren@REACHministries.org).
