

Safe community for those affected by HIV

REACH Labor Day Getaway 2025 In-Kind Donation Request

REACH Ministries is a Tacoma-based nonprofit supporting children, individuals, and families affected by HIV since 1995. Our mission is to create safe, stigma-free spaces where those we serve can find acceptance, connection, and joy—often for the first time. We walk alongside families through support groups, events, mentorship, and personalized outreach.

One of our most powerful programs is our **Labor Day Weekend Getaway**—a multi-day retreat where families can rest, play, and build lasting relationships. It's a place where kids can be kids, parents find community, and hope is restored. Many families who attend have been with REACH for years—some even decades. This year, a former camper who attended at age 3 in 1997 is returning with her own 3-year-old daughter. REACH is truly a lifelong community.

This year's getaway will take place **August 29–September 1** just north of Seattle, with approximately **140 guests** in attendance. We are currently seeking **in-kind donations** to help provide supplies for snacks, crafts, activities, and guest welcome bags—offsetting rising costs and ensuring every family can attend, regardless of financial barriers.

In-Kind Donors Will Be Recognized On:

- Our **website**
- A **REACH social media thank-you post**
- Our private **Getaway app**

We're happy to provide a donation receipt for tax purposes.

Thank you for helping make this weekend possible for families who need encouragement, joy, and connection.
